operation. Your car is a splendid piece of machinery. If properly cared for, it will give you years of satisfactory service at little cost. When repairs are needed, we recommend having the work done by an authorized Ford dealer. They are provided with special service equipment. Furthermore they are interested, more than any one else, in your personal satisfaction with the car. Let experienced mechanics make repairs or adjustments. Your car is too valuable a piece of machinery to place in unskilled hands. Expert workmanship is just as essential in servicing your car as it is in building it.

The first step to implementing kaizen in any organization is to provide training on the Toyota Production System (TPS). This title provides this training material and explains why the TPS tools, including kaizen, must work in tandem with a fresh way of thinking to bring about cultural change. It also includes reusable charts and forms.
