Physical Fitness Assessment. Within a week of arriving at Kapooka all recruits, both Regular and Reserve, conduct an initial fitness assessment: this is commonly known as the Pre-enlistment Fitness Assessment (PFA). The assessment tests muscular endurance and cardiovascular strength, through push-ups, sit-ups and a 20-metre shuttle run test. The test is mandatory for entry into training as it confirms the recruits' baseline fitness and through scientific studies, also provides an indicator ...
