A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Endorsed for the OCR J560 GCSE Mathematics Higher tier specification for first teaching from 2015, our Homework Book is an ideal companion to the OCR Higher tier Student Book and can be used as a standalone resource. With exercises that correspond to each section of the Student Book, it offers a wealth of additional questions for practice and consolidation. Our Homework Books contain a breadth and depth of questions covering a variety of skills, including problem-solving and mathematical reasoning, as well as extensive drill questions. Answers to all questions are available free on the Cambridge University Press UK Schools website.

Provides a comprehensive review of exam topics, test-taking strategies, and two full-length practice tests with detailed answer explanations.

Foundation Courses for JEE Mathematics (Class 10) is meant to enable students to build a sound conceptual foundation in Mathematics and ensure a smooth transition from Class 10 to Class 11. Many students find it very difficult to cope up with studies from Class 11 onwards as there is a huge transition, in terms of academic rigour, when a student moves from Class 10 to Class 11. This book will help students by giving them a solid conceptual foundation for the material they have been exposed to in Classes 9 and 10.
