The world is not what you think. Beneath skyscrapers' leering gargoyles, factories belching smoke and streets packed with the human throng lurk things we are not meant to see. Creatures dwell in the shadows and hidden places. They watch you, stalk you and prey upon your body and soul. The life you lead is a lie. Your darkest fears aren't make-believe. They're real. And now that you have glimpsed this world of darkness, there's no place to hide. The Storytelling System Rulebook is a stand-alone game for the World of Darkness, and is meant for use with Vampire: The Requiem, Werewolf: The Forsaken and Mage: The Awakening.

There's no shortage of psychology self-help books on depression—but this collection, envisioned and edited by Sounds True founder Tami Simon, is not one of them. You won't be revisiting familiar therapies or antidepressant options. What you will find is a gathering of 16 exceptional and compassionate teachers who have faced profound depression themselves. Their purpose? To radically shift the way that we perceive the experience. To offer insights and practices that reach beyond conventional models. And to help us receive depression's uninvited yet singular gifts. The guidance presented here supports traditional psychotherapy and medication as valuable tools. But for those who've found these approaches incomplete—or seek to help others at an impasse—there's much to discover within these pages, including: Thomas Moore, PhD, on Saturn's gifts; Sally Kempton on shifting from suffering and into witnessing awareness; poet Mark Nepo on embracing both emptiness and aliveness; Mary Pipher, PhD, on how despair can open us to long-hidden joy; Christina Baldwin on “ineffable sorrow”; Parker J. Palmer, PhD, on finding meaning and connection through the experience of depression; plus exceptional contributions by Ann Marie Chiasson, MD; James Gordon, MD; Sandra Ingerman; Karla McLaren; Robert Augustus Masters, PhD; Amy Weintraub; Jeff Foster; Elizabeth Rabia Roberts, EdD; Michael Bernard Beckwith; and Reginald A. Ray, PhD.

"Midnight Roads" is a supplement for the World of Darkness "Storytelling" game.

The world's only non-denominational exorcist tells her astonishing true story: a riveting chronicle of wrestling entities from infected souls, showing how pain and trauma opens us to attachment from forces that drain our energy . . . and can even destroy our humanity. As a secular exorcist, Rachel H. Stavis has cleansed thousands of tormented people, from small children and Hollywood moguls to stay-at-home moms and politicians. But for many years, the horror screenwriter and novelist denied her gift. As a little girl, she began to see "monsters" floating around her bedroom or attached to other children. Told it was only her imagination, Rachel learned to ignore the things she saw. But a series of events in adulthood forced her to acknowledge her unique ability and embrace her power to heal. Since then, Rachel has dedicated her life to helping others cast off the forces feeding off of us. Performing her services pro-bono, she quietly worked in the shadows, until she unknowingly revealed her work to a journalist, who told her story to NPR. A unique look at demonology removed from religious dogma, Sister of Darkness recounts Rachel's journey to becoming an exorcist and chronicles some of her most extreme cleansings cases, including those that put her and her clients in peril. Going deep into her world, we meet the diverse range of people she has helped—young, old, famous and not—in gripping stories of danger and sometimes sadness, that are ultimately about redemption. Rachel teaches us that there are a diverse range of "entities" surrounding us—some of these are playful or misguided, while some are dangerous and harmful. She introduces each of them and explains their power, helping us understand what is attacking and hurting us, and what we can do to protect ourselves. Frightening, eye-opening, and utterly enthralling, Sister of Darkness brings to light a world ruled by destruction, chaos and fear, and the woman who bravely fights to protect those who seek her out.
