Disconnected Kids is based on the  
same principles of the Brain Balance  
Program that are being used in the  
Brain Balance Achievement Centers  
that can now be found in more than  
eighty cities around the country.

When I first published Disconnected  
Kids, in 2009, just a little over 1,000  
youngsters had successfully  
experienced the program. Today, that  
number tops 20,000.
