### ~~Jacobsen Sno Burst Manual — kd4.krackeler.com~~

This is a Jacobsen Sno-Burst. If your snowblower looks like the one in the picture, then you're probably in the right place. The first thing you need to do is take off the top cover. In the case of my old beat-up unit, there was only one screw holding the cover on. I took it out and had a look at the engine. The carb is the little metal box on the front left from the driver's position. On ...
