## *Jasper Engines Jobs, Employment | Indeed.com*

Jasper Engines & Transmissions was founded in 1942 and today is the nation's largest mass remanufacturer of a diverse line of drive train components. Annual production includes over 150,000 gas and diesel engines, transmissions, differentials, rear axle assemblies, air and fuel components, and marine products. JASPER® personnel have been named Remanufacturer of the Year an unprecedented three times by PERA, The Production Engine Remanufacturer's Association.

## *JASPER Engines & Transmissions: Employment*

Daily driver, heavy hauler, performance oriented, marine and even industrial, JASPER has the application to replace your tired old gasoline engine. Transmissions JASPER remanufactured automatic and manual transmissions and transfer cases are available for a full range of driving needs and applications.

## *Remanufactured engines, transmissions and differentials ...*

But you can relax. JASPER's remanufactured automatic and standard transmissions are designed for your peace of mind. You don't have to worry about your bill growing as more and more parts need to be machined or replaced. You don't have to comb the junkyards for a used transmission, or trust your fate to a 30 day warranty transmission.
