More than that, it uses the tool of the major arcana of the tarot deck to write long reflections on each of the archetypal images they represent. The entries draw on the writings of Jung, images of the archetype in art and literature. I find archetypes to be valuable concepts in writing and my copy of this book is well-used.

Jung and Tarot: An Archetypal Journey by Sallie Nichols

Tarot reading, from Jung's point of view, is a process that unveils the unconscious and which follows the perennial clues of psychic alchemy. It is said that Swiss psychologist Carl Jung discovered "the internal Tarot" of the human mind with his notion of archetypes. And it could be also argued that Tarot was already an underlying layer of the collective mind, which is where archetypes are printed—those fundamental images that constitute the psychic constellation of the human being.
