TO TRUST IS TO GET HURT. TO BE LOVED COULD END IN DEATH. Everyone sees Ash as the toughest of the Rata brothers, the tall, tattooed man who is untouchable. But not many know of his past, of a tormented youth, which almost saw him take his own life. For ten years he's lived with the nightmares of his stepfather raping him, and how it destroyed his family. Further tormented by his first love leaving him, he tries to move forward with his new partner Beth, but is unable to open up to her, his past continuing to eat away at his soul. Beth knows Ash is keeping her in the dark, and every word he doesn't say, every secret he keeps, pushes her further into his brother's arms, someone who doesn't understand boundaries, a trait that has given Dante a wild reputation: the man every woman wants to bed. Hedonistic and uncontrollable, Dante desires Beth to the point of madness, his bipolar condition worsening with the stress of his hidden desires. He wants to control her, to take her, but he is deeply reliant on Ash, and like his brother, he hides his true nature. On the outside he shows a confident swagger that gets him the attention of both sexes, but on the inside all he wants is one woman who sees him as more than a sexual object. Sledge, the youngest of the three Rata brothers, finds himself in a different situation, dealing with the affections of his best friend: Beth's brother Corey. Diagnosed with cancer, Corey wants Sledge more than life itself, even though he believes Sledge is homophobic and would find him disgusting if he confessed his love. But when another man shows interest in Corey, Sledge's jealousy eats away at him, and makes him reassess his sexually, and whether he could be more than a friend to Corey - whether he could be his lover. As the Rata family's love life is thrown into tangles, the brothers' stepfather escapes from prison with one thing on his mind: To get Ash once again. Someone he will kill for - and has killed for. (Book 2 in the Behind the Lives series).
