Elizabeth Ludwig has helped major clients around the globe achieve significant and sustained results with its research-backed approach to restructuring and cost reduction. This book provides practical guidance for leveraging that expertise to make the choices that allow companies to:

- Achieve growth while reducing costs
- Manage transformation and transition productively
- Create lasting competitive advantage
- Deliver reliable, high-value performance

Sustainable success is founded on efficiency and high performance. Companies are always looking to do more with less, but their efforts often work against them in the long run. Total business transformation requires total buy-in, and it entails a series of decisions that must not be made
