Turning Tarantula Venom Into Pain Relief

In laboratory experiments, researchers found that all four terpenes activated the CB1R, just like THC. Behavioral studies in mouse models revealed that when administered individually, all four ...

Study shows Cannabis terpenes provide pain relief, contribute to 'entourage effect'

associate professor of pharmacology and medicine at BUSM. The research, led by Nicole M. Anderson, PhD, a former postdoc in the Feng lab and a current fellow in the Simon lab, combined patient ...

Metabolic enzyme promotes neuroblastoma aggressiveness

7 Department of Medicine, Duke University Medical Center, Durham, NC 27710, USA. 8 Department of Pharmacology and Cancer Biology, Duke University Medical Center, Durham, NC 27710, USA. 9 Department of ...

Gut Microbiota from Twins Discordant for Obesity Modulate Metabolism in Mice

An important concept in opioid dependence is the pharmacology associated with these medications. Three major types of opioid receptors are involved in analgesia: mu, delta, and kappa receptors.

Key Points for the Pharmacist

Throughout the COVID-19 pandemic, researchers at the National Emerging Infectious Disease Laboratory in downtown Boston handled numerous live virus samples with the utmost care.

Peek inside the Boston building hosting some of the world's most dangerous viruses

From the Section of Clinical Pharmacology and Hypertension, Division of Nephrology, Medical College of Virginia/Virginia Commonwealth University, Richmond, VA; the Department of Clinical ...

Importance of Potassium in Cardiovascular Disease

Using \$1.5 million in funding from the National Institutes of Health, researchers at University of California, Davis, are looking into whether venom from the widely feared tarantula spider could help ...

Could tarantulas hold the secret to relieving chronic pain? Researchers think so

2 Department of Cellular and Molecular Medicine, University of Ottawa, Ottawa, Ontario K1H 8M5, Canada. 3 Department of Pharmacology and Toxicology, Faculty of Pharmacy, Alexandria University, ...

Al oligomers induce pathophysiological mGluR5 signaling in Alzheimer's disease model mice in a sex-selective manner

1 Molecular Pharmacology Program, Memorial Sloan Kettering Cancer Center, New York, NY 10065, USA. 2 Human Oncology and Pathogenesis Program, Memorial Sloan Kettering Cancer Center, New York, NY 10065 ...

P-selectin is a nanotherapeutic delivery target in the tumor microenvironment

First author of the *Frontiers in Pharmacology* paper is Akram Salam, who did the research as a Ph.D. student in the Quave lab through Emory's Molecular Systems and Pharmacology Graduate Program.

New molecule found in chestnut leaves d'sarms dangerous staph bacteria

Inotiv, Inc. (NASDAQ: NOTV) (the !Company), (!We!, !Our! or !Inotiv!), a leading contract research organization specializing in nonclinical and bioanalytical drug ...

Inotiv Acquires Laboratory Instrumentation for Discovery and Development of Novel Therapies

An affordable lab system that uses grass blades to turn ... The study, by Dr Paul De Bank (Department of Pharmacy & Pharmacology), Professor Marianne Ellis (Department of Chemical Engineering ...

New lab system uses grass blades to turn cells into cultured meat

An affordable lab system uses grass blades to turn cells ... The study, by Dr Paul De Bank (Department of Pharmacy & Pharmacology), Professor Marianne Ellis (Department of Chemical Engineering ...

From meadow to plate: The cultured meat that replaces animals with grass

The discovery brings new insights to a complex, multistep process that bridges biology and physics. To help unravel this process, the investigators performed laboratory experiments in cancer cells ...

Scientists uncover new mechanism that enables development of cancer

The discovery brings new insights to a complex, multistep process that bridges biology and physics. To help unravel this process, the investigators performed laboratory experiments in cancer cells ...

Researchers unravel new mechanism that enables cancer development

But the real experiments have been occurring in nature ... Dr. Leslie Boyer, director of the Venom Immunochemistry, Pharmacology and Emergency Response Institute at The University of Arizona ...

11 Amazing Animals That Improve Your Health

In a new study in *ACS Pharmacology & Translational Science*, researchers identify a new potential source of relief: a molecule derived from spider venom. In experiments with mice, they found that ...
