Repaso: A Complete Review Workbook for Grammar, Communication, and Culture

McGraw-Hill World Languages is pleased to include Repaso (which was originally published by the National Textbook Company) among our titles for the Intermediate Spanish course. This single volume textbook, now in its second edition, provides a comprehensive grammar review. Ideal as a stand-alone text for intermediate grammar review courses or used in conjunction with a separate literary or cultural reader, Repaso reviews and refines students' knowledge of Spanish grammar; it is also suitable as a grammar reference for students at all levels.

An ideal review and practice tool for intermediate through to advanced learners of Spanish. Organised into 28 grammar lessons, it offers clear concise explanations with examples of everyday usage which encourage students to see grammar as a stepping stone to communication.

¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups.

Print Student Edition

[The book] is a review grammar for third-, fourth-, or fifth-semester students of Spanish. It is designed for use in courses that focus primarily on intermediate-level grammar study, explicitly include this objective, or provide the student with formal or informal review along the way. It is expected that the text will be used in one-semester grammar review courses or in two-semester courses as a primary text, a supplement, or a reference, in conjunction with other materials such as readers, videotapes, or other texts which emphasize culture, conversation or composition.-Pref.

Combines the current Practice Workbook and the Guided Practice Workbook into one workbook. Now you have a single workbook for all your students! This workbook provides two levels of support for students. The Guided Practice activities provide step-by-step practice including vocabulary flashcards and folding study sheets, guided grammar practice, and scaffolded support for each chapter's Lectura, Presentación oral, or Presentación escrita. The Core Practice activities feature basic practice for each chapter's new vocabulary and grammar, plus end-of-chapter Crossword Puzzle and Organizer. Looking to move to online workbooks?

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.
