James "JD" Dawson grew up in the hood, but left a life of violence three thousand miles behind to make something of himself at University of Atlanta. But when the freshman got off to a fool's start-kicking it with his new homeboys, showing up late to class, not studying and checking out the shorties-JD was assigned a tutor, the luscious Katrina Turner. She made studying real fun. But if JD wanted to get with a girl like Katrina, he'd also have to learn to grow up.

Not every lesson is learned in school... Second semester, second chances, and James "JD" Dawson has a lot to prove at the University of Atlanta. JD needs to shake academic probation, but he and his crew still act as if college is one big frat party. After all the drama of first semester, you'd think JD would

learn from his mistakes. But once again he finds himself in trouble—both in and outside the classroom. What's worse, JD's future hangs on his class assignment: helping Kat get elected student-body president. To do that, he'll have to learn who to trust and who's trying to play him, or his next ticket home to the hood will be one-way.

Click for your dream date Could she go to the senior dance with just any guy? No way. Imani Lane has her heart set on Maurice, the hottest guy in town. But he isn't exactly asking. So she comes up with an idea to help herself—and everyone else, too. An online dating hookup site for local teens! Her friends and cousin can find their dream dates, and Imani can brilliantly engineer her own profile to match Maurice's. Problem is, the Web site is becoming too popular. Guys who are looking for hookups—say, with Imani's own impressionable cousin—now include some very sleazy types. So Imani has to get things unhooked and fast.

After a grueling escape north, Belle Palmer is free, yet lost and alone. Separated from her father on the harrowing journey, Belle has nowhere to turn until she finds shelter with the Bests, the first free family she's ever known. For the first time in her sixteen years, Belle is able to express herself freely—except where her feelings for a certain dark-eyed young man are concerned. Daniel Best is headed for great things. Educated and handsome, at eighteen he is full of the promise and dreams of his people, and is engaged to the prettiest (if the most spoiled) girl around. So when a bedraggled stranger arrives in his household and turns into a vibrant, lovely young woman, his attraction to her catches him entirely by surprise. While Belle is determined to deny her feelings for him, Daniel is caught between his conscience and his infatuation with her. That the two belong together is undeniable, but that it could ever happen seems impossible.

Where Kenisha goes, drama seems to follow, but she's getting stronger and smarter every day. And she doesn't plan on getting played again.

Hoping to rebuild her fabulous life by thwarting her manipulative cousin, Maya endeavors to win back her boyfriend and compete on a television quiz show, goals that are complicated by her cousin's dramatic act of violence. Original.

When a rebellious cousin moves in with her family, Maya learns that following her cousin's lead may harm her relationship with her boyfriend and her future.

Lately, Keysha feels like a magnet for trouble—especially boy trouble. Her last love interest turned out to be a major fraud, and her ex, Wesley, refuses to accept that they're finished. Swearing off relationships and concentrating on herself seems like her smartest move. Then Keysha meets her new neighbor Jerry, who has every girl in town vying for a summer fling. Working as lifeguards together, Keysha realizes that Jerry has more to offer than a great car and a sexy smile, and the harder she tries to ignore him, the more interested he becomes. But is it Keysha that attracts him or the chase itself? And when the biggest party of the year gets dangerously out of line, and Wesley's jealous new girl pins the blame on Keysha, she'll learn exactly who she can trust. Only problem is, it might be too late to save herself...

Fifteen-year-old Kenisha Lewis has it all: good friends who also live to dance, a hot boyfriend headed for the NBA, loving parents and a bling-filled home in the burbs. But all that changes when her dad drops a bomb: he wants a divorce—and his pregnant girlfriend is moving in. Suddenly, Kenisha and her mom are squeezed into her grandmother's small house in the city, and Kenisha's sharing a bedroom with a cousin she barely knows. Could she hate her life any more? Yeah. Because her boyfriend dumps her, her friends are acting weird and her mother is getting more and more depressed. Time for Kenisha to push the pause button on her life and take a long, deep breath—.
