Sister Pelagia and the White Bulldog: A Mystery - Kindle ...

“Pelagia’s family likeness to Father Brown and Miss Marple is marked, and reading about her supplies a similarly decorous pleasure.” –The Literary Review In a remote Russian province in the late nineteenth century, Bishop Mitrofanii must deal with a family crisis. After learning that one of his great aunt’s beloved and rare white bulldogs has been poisoned, the Orthodox bishop knows there is only one detective clever enough to investigate the murder: Sister Pelagia. The bespectacled, freckled Pelagia is lively, curious, extraordinarily clumsy, and persistent. At the estate in question, she finds a whole host of suspects, any one of whom might have benefited if the old lady (who changes her will at whim) had expired of grief at the pooch’s demise. There’s Pyotr, the matron’s grandson, a nihilist with a grudge who has fallen for the maid; Stepan, the penniless caretaker, who has sacrificed his youth to the care of the estate; Miss Wrigley, a mysterious Englishwoman who has recently been named sole heiress to the fortune; Poggio, an opportunistic and freeloading “artistic” photographer; and, most intriguingly, Naina, the old lady’s granddaughter, a girl so beautiful she could drive any man to do almost anything. As Pelagia bumbles and intuits her way to the heart of a mystery among people with faith only in greed and desire, she must bear in mind the words of Saint Paul: “Beware of dogs—and beware of evil-doers.” “Critics on both sides of the Atlantic have praised [Akunin’s] clever plots, vivid characters and wit.” –Baltimore Sun “Akunin’s wonderful novels are always intricately webbed and plotted.” –The Providence Journal

Canine conspiracies, spurned lovers, murderous greed, jealousy, politics, power and knitting: Pelagia and the White Bulldog marks the beginning of an addictively entertaining new crime series from the internationally bestselling author, Boris Akunin. In the dying days of the nineteenth century, the small Russian town of Zavolzhsk is shaken out of its sleepy rural existence by the arrival from St Petersburg of a Synodical Inspector with a hidden agenda and a dangerously persuasive manner. Meanwhile, in the nearby country estate of Drozdovka, one of the prized white Bulldogs - prized because of its one brown ear, and its propensity to drool - belonging to the cantankerous lady of the house has been poisoned. The old widow has taken to her bed, sick with fear that her two remaining dogs may face a similar fate, and the many potential beneficiaries of her will wait fretfully to see whether or not she will recover. Sister Pelagia: bespectacled, freckled, woefully clumsy and astonishingly resourceful is summoned by the Bishop of Zavolzhsk to investigate the bulldog’s death. But her investigation soon takes a far more sinister turn when two headless bodies are pulled out of the river on the edge of the estate.

Fans of Sister Pelagia and the White Bulldog, the first book in Akunin’s Pelagia trilogy, will be instantly mesmerized—and frightened—by this latest foray into Zavolzhsk’s spiritual underworld. In the middle of the night, a disheveled and badly frightened monk arrives at the doorstep of Bishop Mitrofanii of Zavolzhsk, crying: “Something’s wrong at the Hermitage!” The Hermitage is the centuries-old island monastery of New Ararat, known for its tradition of severely penitent monks, isolated environs, and a mental institution founded by a millionaire in self-imposed exile. Hearing the monk’s eerie message, Mitrofanii’s befuddled but sharp-witted ward Sister Pelagia begs to visit New Ararat and uncover the mystery. Traditions prevail—no women are allowed—and the bishop sends other wards to test their fates against the Black Monk that haunts the once serene locale. But as the Black Monk claims more victims—including Mitrofanii’s envoys—Pelagia goes undercover to see exactly what person, or what spirit, is at the bottom of it all. Praise for Sister Pelagia and the Black Monk “For all his status as a globe-circling bestseller, Akunin keeps faith in his sleekly engineered and allusive whodunnits with the classical virtues of Russian prose. . . . That polish lends his books a peculiar charm.”–The Independent (London) “Readers can hear echoes of Leo Tolstoy, Fyodor Dostoevsky and Anton Chekov in whodunits that, because of their literary overtones, can be guiltlessly consumed as entertainment.”—Los Angeles Times

The ship carrying the devout to Jerusalem has run into rough waters. Onboard is Manuila, controversial leader of the “Foundlings,” a sect that worships him as the Messiah. But soon the polarizing leader is no longer a passenger or a prophet but a corpse, beaten to death by someone almost supernaturally strong. But not everything is as it seems, and someone else sailing has become enmeshed in the mystery: the seemingly slow but actually astute sleuth Sister Pelagia. Her investigation of the crime will take her deep into the most dangerous areas of the Middle East and Russia, running from one-eyed criminals and after such unlikely animals as a red cockerel that may be more than a red herring. To her shock, she will emerge with not just the culprit in a murder case but a clue to the earth’s greatest secret. Sister Pelagia and the Red Cockerel features its beloved heroine’s most exciting and explosive inquiry yet, one that just might shake the foundations of her faith.

Sister Pelagia, bespectacled, freckled, woefully clumsy and possessed of a not very nunnish aptitude for solving crimes, returns in a tale of monastic intrigue, murder and adventure. Just as the dust from the case of the White Bulldog begins to settle in the small Russian town of Zavolzhsk, its sleepy rural existence is shaken up once again by the arrival of a desperately frightened monk who seeks the help of the bishop, Mitrofanii. The monks have been troubled by visions of a dark, hooded figure that appears to walk on the waters of the vast Blue Lake surrounding their monastery. Sceptical of ghost stories, Mitrofanii sends first his clever young ward, then two of his most trusted advisors, to investigate the mystery. All meet with unexpected fates. Finally Sister Pelagia takes matters into her own hands and, adopting a number of ingenious disguises, she ventures across the Blue Lake in search of answers. As she delves deeper into the layers of secrecy that cloak the islanders, and as the body count continues to rise, Pelagia begins to realise that an encounter with a ghost may be the least of her problems...

In the wake of a messianic Jewish sect leader’s murder aboard a steamer bound for Jerusalem, Sister Pelagia discovers that the victim was set up as a decoy while the real target tries to evade enemies, a situation that prompts her investigation throughout the Russian forests and Jerusalem’s most holy sites. By the author of Sister Pelagia and the White Bulldog. Original.

The next caper in the Sister Pelagia mystery from the bestselling author of THE WINTER QUEEN. Returning from the Synod in St Petersburg - and an official rebuke of her crime-fighting ways - Sister Pelagia finds herself aboard a steamer dodging pickpockets, zealots and a sinister man with a detachable eye. But a brutal murder in the next cabin spells the end of her sleuthing retirement, and the start of an investigation that will take her to the Holy Land and far beyond. Pelagia's journey is peppered with tales of miracles and roosters, and caves that act as portals to other worlds. But an assassin is closing in, pursuing the sister to the land of the Gospels where her criminal enquiry becomes a spiritual enquiry as she sets down her knitting needles to question the very foundations of her faith...

Paris, 1878: Eccentric antiquarian Lord Littleby and his ten servants are found murdered in Littleby's mansion on the rue de Grenelle, and a priceless Indian shawl is missing. Police commissioner "Papa" Gauche recovers only one piece of evidence from the crime scene: a golden key shaped like a whale. Gauche soon deduces that the key is in fact a ticket of passage for the Leviathan, a gigantic steamship soon to depart Southampton on its maiden voyage to Calcutta. The murderer must be among its passengers. In Cairo, the ship is boarded by a young Russian diplomat with a shock of white hair—none other than Erast Fandorin, the celebrated detective of Boris Akunin's The Winter Queen. The sleuth joins forces with Gauche to determine which of ten unticketed passengers on the Leviathan is the rue de Grenelle killer. Tipping his hat to Agatha Christie, Akunin assembles a colorful cast of suspects—including a secretive Japanese doctor, a professor who specializes in rare Indian artifacts, a pregnant Swiss woman, and an English aristocrat with an appetite for collecting Asian treasures—all of whom are con?ned together until the crime is solved. As the Leviathan steams toward Calcutta, will Fandorin be able to out-investigate Gauche and discover who the killer is, even as the ship's passengers are murdered, one by one? Already an international sensation, Boris Akunin's latest page-turner transports the reader back to the glamorous, dangerous past in a richly atmospheric tale of suspense on the high seas.

In Special Assignments, Erast Fandorin, nineteenth-century Russia's suavest sleuth, faces two formidable new foes: One steals outrageous sums of money, the other takes lives. "The Jack of Spades" is a civilized swindler who has conned thousands of rubles from Moscow's residents—including Fandorin's own boss, Prince Dolgorukoi. To catch him, Fandorin and his new assistant, timid young policeman Anisii Tulipov, must don almost as many disguises as the grifter does himself. "The Decorator" is a different case altogether: A savage serial killer who believes he "cleans" the women he mutilates and takes his orders from on high, he must be given Fandorin's most serious attentions. Peopled by a rich cast of eccentric characters, and with plots that are as surprising as they are inventive, Special Assignments will delight Akunin's many fans, while challenging the gentleman sleuth's brilliant powers of detection. Praise from England: "Boris Akunin's wit and invention are a source of constant wonder." –Evening Standard "[Fandorin is] a debonair combo of Sherlock Holmes, D'Artagnan and most of the soulful heroes of Russian literature. . . . This pair of perfectly balanced stories permit the character of Fandorin to grow." –The Sunday Telegraph "Agatha Christie meets James Bond: [Akunin's] plots are intricate and tantalizing. . . . [These stories] are unputdownable and great fun." –Sunday Express "The beguiling, super-brainy, sexy, unpredictable Fandorin is a creation like no other in crime fiction." –The Times

In 1882, after six years of foreign travel and adventure, renowned diplomat and detective Erast Fandorin returns to Moscow in the heart of Mother Russia. His Moscow homecoming is anything but peaceful. In the hotel where he and his loyal if impertinent manservant Masa are staying, Fandorin's old war-hero friend general Michel Sobolev ("Achilles" to the crowd) has been found dead, felled in his armchair by an apparent heart attack. But Fandorin suspects an unnatural cause. His suspicions lead him to the boudoir of the beautiful singer—"not exactly a courtesan"—known as Wanda. Apparently, in Wanda's bed, the general secretly breathed his last. . . . From the Trade Paperback edition.
