sticking point in a sentence | Sentence examples by ...

Adding a pause a few inches off the chest on the way up is a fantastic – and logical – way to train your sticking point without resorting to a reduced range of motion. Rather than starting at your sticking point, you bring the bar down through a full range of motion. Bring the bar down, touch your chest, press back up and pause a few inches off your chest.

Beat Your Bench Press Sticking Point! - The Strength House

These generational differences are what we call Sticking Points. Knowing these sticking points can allow teams to label tension points and work through them – even anticipate and preempt them. But most organizations don't know that. Sticking points are inevitable and they often get teams stuck. But they don't have to.

Buy Sticking Points Briefing Online | Bestbookbriefings

Having a sticking point means that you have difficulty moving a weight at certain points of a movement. For example, let's say you bench press with heavy weight and you might notice a part of the movement where you struggle. If you don't bring the weight all the way down to your chest, then your sticking point may be at the bottom of the movement. Your sticking points are points where the weight feels heaviest.
