Jay Kristoff's STORMDANCER (The Lotus War Book One) is a book that comes passionately recommended by some and fiercely chastised by others. While I normally don't see such a divide in opinions and was a little skeptical about this book for that reason, it sounded like everything I wanted in this type of plot-line, plus upon sampling some of the author's writing I knew this had to be at least a little good.

A DYING LAND The Shima Imperium verges on the brink of environmental collapse; decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, land choked with toxic pollution, wildlife ravaged by mass extinctions. AN IMPOSSIBLE QUEST The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger - a legendary beast, half-eagle, half-tiger.

execution. Yet together, the pair will form an indomitable bond, and rise to challenge an empire. Set in steampunk Japan, Jay Kristoff's Stormdancer is full of mythic creatures, demons and Gods, and a strong female protagonist. Continue the Lotus War Trilogy with Kinslayer and Endsinger.

Kinslayer is Book Two in Jay Kristoff's critically acclaimed Lotus War series that began with Stormdancer, featuring an unforgettable heroine and a stunningly original Japanese dystopian steampunk world A SHATTERED EMPIRE The mad Shogun Yoritomo has been assassinated by the Stormdancer Yukiko, and the threat of civil war looms over the Shima Imperium. The toxic blood lotus flower continues to ravage the land, the deadlands splitting wider by the day. The machine-worshippers of the Lotus Guild conspire to renew the nation's broken dynasty and crush the growing rebellion simultaneously - by endorsing a new Shogun who desires nothing more than to see Yukiko dead. A DARK LEGACY Yukiko and the mighty thunder tiger Buruu have been cast in the role of heroes by the Kagé rebellion. But Yukiko herself is blinded by rage over her father's death, and her ability to hear the thoughts of beasts is swelling beyond her power to control. Along with Buruu, Yukiko's anchor is Kin, the rebel Guildsman who helped her escape from Yoritomo's clutches. But Kin has his own secrets, and is haunted by

visions of a future he'd rather die than see realized. A GATHERING STORM Kagé assassins lurk within the Shogun's palace, plotting to end the new dynasty before it begins. A waif from Kigen's gutters begins a friendship that could undo the entire empire. A new enemy gathers its strength, readying to push the fracturing Shima imperium into a war it cannot hope to survive. And across raging oceans, amongst islands of black glass, Yukiko and Buruu will face foes no katana or talon can defeat. The ghosts of a blood-stained past.

With Stormdancer, Jay Kristoff came roaring onto the fantasy scene—he has been praised as "the master of unique and intense plots and huge twists" (USAToday.com), while critics raved about the novel, calling it "[A] fast-paced, fantastical adventure [that] is sharp as a Shogun's sword." (The LA Times). And with healthy sales in hardcover and electronic—fueled by Jay's inventive, enthusiastic, and relentless promotion on his website, Facebook, Twitter, and the blogosphere—we know readers are hungry for the finale to his wildly inventive Lotus War saga. As civil war sweeps across the Shima Imperium, the Lotus Guild unleashes their deadliest creation—a mechanical goliath, intended to unite the shattered Empire under a yoke of fear. Yukiko and Buruu are forced to take leadership of the rebellion, gathering new allies and old friends. But the ghosts of Buruu's past stand

between them and the army they need, and Kin's betrayal has destroyed all trust among their allies. When a new foe joins the war, it will be all the pair can do to muster the strength to fight, let alone win. And as the earth splits asunder, as armies destroy each other for rule over an empire of lifeless ash and the final secret about blood lotus is revealed, the people of Shima will learn one last, horrifying truth. An exciting, vivid conclusion to a critically acclaimed series, Endsinger is sure to have fans racing through the pages to savor every last revelation.

An original eNovella set in the world of the Lotus War before the events of Stormdancer... Your blood-red skies are filled with smoke. Your bleach-white histories with lies. You walk sleeping. Wake senseless. Breathing deep of toxic blooms and forgetting all that has gone before. But I remember. I remember when two brothers waged bloody war over the right to sit in their father's empty chair. I remember when orphaned twins faced each other across a field of crimson and steel, the fate of the Shima Shogunate hanging in the poisoned sky between them. I remember when a blind boy stood before a court of storms and talons, armed only with a thin sword and a muttered prophecy and a desperate dream of saving the world. I remember when the skies above Shima were not red, but blue. Filled with thunder

tigers. I remember when they left you. And I remember why. Let me tell you, monkey-child.

From the coauthor of the New York Times bestselling *Illuminae Files* comes the first book in a new series that's part *Romeo and Juliet*, part *Terminator*, and all adrenaline. On an island junkyard beneath a sky that glows with radiation, a deadly secret lies buried in the scrap. Seventeen-year-old Eve isn't looking for trouble--she's too busy looking over her shoulder. The robot gladiator she spent months building has been reduced to a smoking wreck, she's on the local gangster's wanted list, and the only thing keeping her grandpa alive is the money she just lost to the bookies. Worst of all, she's discovered she can somehow destroy machines with the power of her mind, and a bunch of puritanical fanatics are building a coffin her size because of it. If she's ever had a worse day, Eve can't remember it. The problem is, Eve has had a worse day--one that lingers in her nightmares and the cybernetic implant where her memories used to be. Her discovery of a handsome android named Ezekiel--called a "Lifelike" because they resemble humans--will bring her world crashing down and make her question whether her entire life is a lie. With her best friend Lemon Fresh and her robotic sidekick Cricket in tow, Eve will trek across deserts of glass, battle unkillable bots, and infiltrate

towering megacities to save the ones she loves...and learn the truth about the bloody secrets of her past.

Rise Again marks a vivid and powerful fiction debut from an author who “balances kinetically choreographed scenes of zombie carnage with studies of well-drawn characters and enough political intrigue to give his tale more gravity and grounding than most zombie gore-fests” (Publishers Weekly). A mysterious contagion. Mass hysteria. Sudden death. And a warning that would come all too late... Forest Peak, California. Fourth of July. Sheriff Danielle Adelman, a troubled war veteran, thinks she has all the problems she can handle in this all-American town after her kid sister runs away from home. But when a disease-stricken horde of panicked refugees fleeing the fall of Los Angeles swarms her small mountain community, Danny realizes her problems have only just begun—starting with what might very well be the end of the world. Danny thought she had seen humanity at its worst in war-torn Iraq, but nothing could prepare her for the remorseless struggle to survive in a dying world being overrun by the reanimated dead and men turned monster. Obsessed with finding her missing sister against all odds, Danny’s epic and dangerous journey across the California desert will challenge her spirit . . . and bring her to the precipice of sanity itself. . . .

THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

The epic conclusion to the internationally bestselling *Nevernight Chronicle* from New York Times bestselling author Jay Kristoff. The
