Textbook of Bacteriology

www.textbookofbacteriology.net.

This textbook has evolved from online and live-in-person lectures presented in my bacteriology courses at the University of Wisconsin-Madison. Its contents are suitable for reading or presentation in courses or course modules concerning general microbiology and medical bacteriology at the college and advanced high school levels of education.

Online Textbook of Bacteriology

Welcome to the wonderful world of microbiology! Yay! So. What is microbiology? If we break the

File Type PDF Text Book Of Microbiology By Cp Baveja

word down it translates to “the study of small life,” where the small life refers to microorganisms or microbes. But who are the microbes? And how small are they? Generally microbes can be divided in to two categories: the cellular microbes (or organisms) and the acellular microbes (or agents).
