Alf layla wa layla (known in English as A Thousand and One Nights or The Arabian Nights) changed the world on a scale unrivalled by any other literary text. Inspired by a fourteenth-century Syrian manuscript, the appearance of Antoine Galland's twelve-volume Mille et Une Nuits in English translation (1704-1717), closely followed by the Grub Street English edition, drew the text into European circulation.

Sir Richard Burton's *The Arabian Nights* was an immediate hit upon its publication in 1885. Based on the 1881 translation by John Payne, Burton's work not only fed the growing demand of English readers for tales and images from the Oriental reaches of their empire, but its comparatively frank sexual references, its bawdiness, and its wild adventures also spoke to, as much as it shocked, the repressed prurient interests of its Victorian readership.

The Arabian Nights in Historical Context: Between East and ...

The tales within Arabian Nights span a large geographical area that stretches from Egypt, across the Middle East, and into Mongolia and China. This collection of Eastern cultures and traditions has attracted Western readers since the 18th century.

However, it has lent great confusion to the discussion of where exactly the Nights first originated. Many scholars concede the tome to be Persian due to the Persian origins of the names "Shahrayar" and "Shahrazad."

The Context - The Arabian Nights

The Arabian Nights have a history that

is largely mysterious. However, it is widely considered that they may include tales told by ancient travelers and merchants along the Chinese Silk Route . As they made their way from Northern China to the Middle East and Egypt, the travelers stopped in various towns and trading posts where they would tell these stories to each other for entertainment.
