The Au Pairs were a British post-punk band that formed in Birmingham in 1978 and continued until 1983. They produced two studio albums and three singles. Their songs were said to have "contempt for the clichés of contemporary sexual politics" and their music has been compared to the Gang of Four and the Young Marble Giants. The band was led by Lesley Woods, who was once described as "one of ...

*The Au Pairs Quotes by Melissa de la Cruz*  
The "Au pairs" by Melissia de la Cruz was pretty good, but only for a lazy summer day. It definitely wasn't a novel that I would have read otherwise. It might have been better if books like *Gossip Girl* and the *A-list* weren't so good. The story revolves around three girls with totally different personalities, working as au pairs in the Hamptons.
