In my opinion, The Crossing by Gary Paulsen was a very interesting book that really showed the true conflict between the two main characters. The author makes you feel sympathy for the children struggling to survive on their own in Mexico. Manny Bustos is a 14 year old orphan boy who was abandoned from his parents at such a young age.

The Crossing, like many of Paulsen's novels for young adults, pairs a teenage protagonist with an older adult. The chance meeting of Manny Bustos and Sergeant Robert S. Locke in the border town of Juarez, Mexico, changes both lives in ways dramatic and not immediately predictable.

The Crossing — BookRags.com
As does much of Paulsen's fiction for young adults, The Crossing features a young, male protagonist who forms an unlikely bond with an adult male deeply and adversely affected by war. Highlighting their interdependence, this relationship finally helps both characters to be physically or emotionally free.

A critically acclaimed tearjerker from a master storyteller: On one side of the border is brutality and heartache; on the other side--a new life. 14yo Manny is an orphan in Juarez, Mexico. He competes with his bigger, meaner rivals for the coins American tourists throw off the bridge between Texas and his town. Across that heavily guarded bridge await a different world and a better existence. On the night when Manny dares the crossing--through the muddy shallows of the Rio Grande, past the searchlights and the border patrol--the young man encounters an old stranger who could prove to be an ally or an enemy. Manny can't tell for certain. But if he is to achieve his dream, then he must be willing to risk everything--even his life.

The Crossing forms second part of Cormac McCarthy's critically acclaimed Border Trilogy, that began with All the Pretty Horses and concludes with The Cities of the Plain. Set on the south-western ranches in the years before the Second World War, Cormac McCarthy's The Crossing follows the fortunes of sixteen-year-old Billy Parham and his younger brother Boyd. Fascinated by an elusive wolf that has been marauding his family's property, Billy captures the animal - but rather than kill it, sets out impulsively for the mountains of Mexico to return it to where it came from. When Billy comes back to his own home he finds himself and his world irrevocably changed. His loss of innocence has come at a price, and once again the border beckons with its desolate beauty and cruel promise.

Only 13, John must track a deer in the Minnesota woods for his family's winter meat, and in doing so finds himself drawn to the doe he's been tracking and hating his role as hunter.

Francis Tucket now feels more confident that he can handle just about anything. A year ago, on the wagon train, he was kidnapped from his family by a Pawnee hunting party. Then he escaped with the help of the mountain man Mr. Grimes. Now that he and Mr. Grimes have parted ways, Francis is heading west on his Indian pony, crossing the endless prairie, trying to find his family. After a year with Mr. Grimes, Francis has learned to live by the harsh code of the wilderness. He can cause a stampede, survive his own mistakes, and face up to desperadoes. But when he rescues a little girl and her younger brother, Francis takes on more than he bargained for. All of a sudden he's in charge of Lottie and Billy, a family of his own. Fast-paced and exciting, Calling Me Francis Tucket continues the journey begun in Mr. Tucket, taking readers deeper into the American West, and deeper into Francis's changing knowledge of what it takes to survive on a new frontier.

Gary Paulsen introduces readers to Charley Goddard in his latest novel, Soldier's Heart. Charley goes to war a boy, and returns a changed man, crippled by what he has seen. In this captivating tale Paulsen vividly shows readers the turmoil of war through one boy's eyes and one boy's heart, and gives a voice to all the anonymous young men who fought in the Civil War.

For a rugged outdoor man and his family, life in northern Minnesota is a wild experience involving wolves, deer, and the sled dogs that make their way of life possible. Includes an account of the author's first Iditarod, a dogsled race across Alaska.

Because of his success surviving alone in the wilderness for fifty-four days, fifteen-year-old Brian, profoundly changed by his time in the wild, is asked to undergo a similar experience to help scientists learn more about the psychology of survival.

From his 1776 Pennsylvania homestead, thirteen-year-old Samuel, who is a highly-skilled woodsman, sets out toward New York City to rescue his parents from the band of British soldiers and Indians who kidnapped them after slaughtering most of their community. Includes historical notes.

WHEN YOU GROW up in a small town in the north woods, you have to make your own excitement. High spirits, idiocy, and showing off for the girls inspire Gary Paulsen and his friends to attempt:
• Shooting waterfalls in a barrel
• The first skateboarding
• Breaking the world record for speed on skis by being towed behind a souped-up car, and then . . . hitting gravel
• Jumping three barrels like motorcycle daredevil Evel Knievel, except they only have bikes
• Wrestling . . . a bear?
Extreme sports lead to extreme fun in new tales from Gary's boyhood. A New York Times Bestseller

Tag pointed his flashlight into the hole and peered inside. It was impossible. The inside was hollow, like an underwater cave. Something shiny lay near the opening and reflected the beam from his light. He reached inside and pulled it out. A pewter spoon. If he could have made a sound, he would have screamed with joy. He tucked the spoon in his vest pocket and reached into the hole again. A sharp stab of pain shot through his left hand. Something had hold of the tip of his thumb and was trying to yank him into the hole! Tag Jones knows that somewhere in the azure water and coral reef surrounding Bermuda lies a sunken ship full of treasure. El Patron sank in 1614, and Tag's father died in a diving accident while looking for it. Tag won't give up until he finds El Patron—and he's not scared off by the local legend that says the ship is cursed. But when two tourists ask Tag and his friend Cowboy to retrieve some mysterious underwater parcels for them, the boys find themselves in dangerous water, way over their heads!
