Library Haul #1 The Everafter Amy Huntley

The Everafter by Amy Huntley is a supernatural, ya mystery/romance coupled with a ghost story. Sounds like quite the eclectic mix, right? Well no worries, it all blends very well together and takes you on a journey of the afterlife as Huntley perceives it.

The Everafter by Amy Huntley - Goodreads

“ Huntley is an author worth watching. ” (Publishers Weekly) [The Everafter is] a book that will stick with readers, making them think not only about Maddy but also about the nature of life and death, time, possessions, and the interactions with both people and

Huntley, Amy: Books

Amy Huntley says that a colleague's musings were the spark that inspired *The Everafter*: "I've always had a tendency to attach myself to the objects of my life, so when one of my friends said something like, 'Wouldn't it be funny if all those things you lost turned up after you were dead, just when you didn't need them anymore?' it got me thinking. But I wanted to believe there would be a purpose to their reappearance.

in this place are luminescent objects that turn out to be all the things Maddy lost while she was alive. And soon she discovers that with these artifacts, she can reexperience—and sometimes even change—moments from her life. Her first kiss. A trip to Disney World. Her sister's wedding. A disastrous sleepover. In reliving these moments, Maddy learns illuminating and sometimes frightening truths about her life—and death.

Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable Hamlet retelling, from the perspective of a strong-willed, modern-day Ophelia. Meet Ophelia, high school senior, daughter of the Danish king's most trusted adviser, and

Get Free The Everafter Amy Huntley

longtime girlfriend of Prince Hamlet of Denmark. She lives a glamorous life and has a royal social circle, and her beautiful face is splashed across magazines and television screens. But it comes with a price--her life is ruled not only by Hamlet's fame and his overbearing royal family but also by the paparazzi who hound them wherever they go. After the sudden and suspicious death of his father, the king, the devastatingly handsome Hamlet spirals dangerously toward madness, and Ophelia finds herself torn, with no one to turn to. All Ophelia wants is to live a normal life. But when you date a prince, you have to play your part. Ophelia rides out this crazy roller coaster life, and lives to tell her story in live television interviews.

Maybe Mab was real. Maybe not. Maybe Mab was the fury. Maybe she was the courage. Maybe later on she was the sex . . . A tiny fairy winging her way through the jasmine-scented L.A. night. A little girl caught in a grown-up glitz-and-glitter world of superstars and supermodels. A too beautiful boy with a secret he can never share . . . From the author of Weetzie Bat comes a magical, mesmerizing tale of transformation. This is the story of Barbie Marks, who dreams of being the one behind the Cyclops eye of the camera, not the voiceless one in front of it; who longs to run away to New York City where she can be herself, not some barley flesh-and-blood version of the plastic doll she was named

after. It is the story of Griffin Tyler, whose androgynous beauty hides the dark pain he holds inside. And finally it is the story of Mab, a pinkie-sized, magenta-haired, straight-talking fairy, who may or may not be real but who helps Barbie and Griffin uncover the strength beneath the pain, and who teaches that love—like a sparkling web of light spinning around our bodies and our souls—is what can heal even the deepest scars.

Connor and Izzy, two teens who met at a summer art camp in the Pacific Northwest where they were counsellors, share a series of emails in which they confide in one another, eventually causing Connor to

become worried when he realizes that Izzy's emotional highs and lows are too extreme.

For readers of Marieke Nijkamp's *This Is Where It Ends*, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her guilt as she returns to school to complete her senior year.

Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella Say Something, another arresting Hate List story.

John Green's *The Fault in Our Stars* meets Rainbow Rowell's *Eleanor & Park* in this beautifully written, incredibly honest, and emotionally poignant novel. Cammie McGovern's insightful young adult debut is a heartfelt and heartbreaking story about how we can all

feel lost until we find someone who loves us because of our faults, not in spite of them. Born with cerebral palsy, Amy can't walk without a walker, talk without a voice box, or even fully control her facial expressions. Plagued by obsessive-compulsive disorder, Matthew is consumed with repeated thoughts, neurotic rituals, and crippling fear. Both in desperate need of someone to help them reach out to the world, Amy and Matthew are more alike than either ever realized. When Amy decides to hire student aides to help her in her senior year at Coral Hills High School, these two teens are thrust into each other's lives. As they begin to spend time with each other, what started as a blossoming friendship eventually grows into something neither

only one who can save them. The Martian meets The Goonies in this out-of-this-world middle grade debut where the stakes couldn ' t be higher.

As teenagers Brooklyn and Nico work to help each other recover from the deaths of Brooklyn's boyfriend--Nico's brother Lucca--and their friend Gabe, the two begin to rediscover their passion for life, and a newly blossoming passion for one another.

Girl meets boy. Girl loses boy. Girl gets boy back...
...sort of. Ava can't see him or touch him, unless she's dreaming. She can't hear his voice, except for the faint whispers in her mind. Most would think she's crazy, but

Get Free The Everafter Amy Huntley

she knows he's here. Jackson. The boy Ava thought she'd spend the rest of her life with. He's back from the dead, as proof that love truly knows no bounds.

An astonishing novel about redemption and forgiveness from the “amazingly talented writer” (HuffPost) and #1 New York Times bestselling author Jodi Picoult. Some stories live forever... Sage Singer is a baker. She works through the night, preparing the day's breads and pastries, trying to escape a reality of loneliness, bad memories, and the shadow of her mother's death. When Josef Weber, an elderly man in Sage's grief support group, begins stopping by the bakery, they strike up an unlikely friendship. Despite their

Get Free The Everafter Amy Huntley

differences, they see in each other the hidden scars that others can't. Everything changes on the day that Josef confesses a long-buried and shameful secret and asks Sage for an extraordinary favor. If she says yes, she faces not only moral repercussions, but potentially legal ones as well. With the integrity of the closest friend she's ever had clouded, Sage begins to question the assumptions and expectations she's made about her life and her family. In this searingly honest novel, Jodi Picoult gracefully explores the lengths to which we will go in order to keep the past from dictating the future.
