~~Tiger Head, Snake Tails: China Today, How
It Got There and ...~~

The impressive tiger head has to deal with an array of writhing snake tails, and the outcome is of vital importance not simply for itself but for the world at large. At first sight, the People ' s Republic of China (PRC) may seem the inevitable winner of the twenty-first century.

Reviews

The title of the book, Tiger Head, Snake
Tails (hutou shewei) is eye-catching and is
an adaptation of a Chinese phrase selected
to “ suggest that one has to take into
account not just the China that hits the
headlines, or the top-line economic statistics
or the straight-line projections to a future
that may or not come to pass, but also a host
of down-to-earth factors which actually
determine how the country functions and

where it is going ”. Fenby has certainly
looked below the surface of ...

~~Book Review: Tiger Head, Snake Tails:
China Today, How it ...~~

Welcome to contemporary China, a
country where nothing is as it seems and
there is evidence to support any case you
want to make – positive or negative. But
where the omens are increasingly ominous...

~~Tiger Head Snake Tails by Jonathan Fenby
—review ...~~

On its face, China may seem like a single
unit governed by control from the top-
down. But below the surface lie many
different strands. China is a tiger head, with
many different snake tails (hence the name
of the book). How can China's constraining
political control system continue to cope
with such a fast-changing, multi-
dimensional society?

Get Free Tiger Head Snake Tails China Today How It Got There And Why Has To ~~Amazon.com: Customer reviews: Tiger Head, Snake Tails ...~~

Jonathan Fenby's Tiger Head, Snake Tails is a very current survey of what its subtitle says it will do: describe China today, explain how it got where it has, and consider where it will go. Fenby intends the primary title to mean that the big story of China's rise and its global consequences (the tiger's head) is actually determined by "a host of down-to-earth factors which actually determine how the country functions and where it is going".

~~Tiger Head, Snake Tails: China Today, How It Got There and ...~~

Despite this, Jonathan Fenby is convinced that with Tiger Head, Snake Tails, he has filled a gap in the market . He intends that this book will serve as a "one-stop account of where the...
