If you're having problems with the TV Guide, it could mean your device isn't receiving the correct signals needed to populate it. To fix this the best options are to restart or retune your device !! see our guides on how to do this in the related content section below.

~~**Missing TV Guide information!-Freeview**~~

Unfortunately, Guide Plus + on the RDR-HXD models (analogue) will no longer work due to Gemstar switching this service off. Bid TV can only be set on the new range RDR-DC range of recorders which run on a digital Guide Plus + system. I am sorry I cannot be of greater assistance on this occasion. Yours sincerely, Sandip Singh Customer Information Centre

Samsung's TV Plus partnered with Fandango for this service no longer available. However, you can find all your purchased content on the Fandango app using the same credentials. I hope this helped. If additional help is required, please contact FandangoNow customer support.

~~**TV Plus will not load -Samsung Community**~~

I've been experiencing problems with the DVD programme guide on my TV which is a Panasonic TX LCD32. Many of the channels on the guide are not displaying any information whatsoever - other than messages such as 'no data' or 'no events available' etc. Other channels are only displaying the current programme and the next.

If your Sky TV is not working because of bad weather, this is because wind, rain, or other conditions will be affecting your TV's satellite signal. Wait for the bad weather to pass. In the meantime, you can still enjoy your favourite shows on Sky Go, on demand or watch any recordings you've saved to your Planner.
