Again, not really a choice – good readers will excel in both or they won't be good readers. What all that means is that what we teach to make kids literate is not arbitrary. The content of experience in literacy learning should not be a choice!

**How Do You Make a Good Reader? Just the Basics | Reading ...**

Do teachers have to be readers? Who am I to say who should be a teacher and who shouldn't, but it might not be so controversial to say that you might not be made for teaching – especially if you are a reading teacher – if you don't have a strong identity as a reader. This crosses over into the other disciplines as well.

**Do Teachers Have to Be Readers? - Education Rickshaw**

Kindergarten, first, and second grade teachers deliver an orderly progression of explicit phonics lessons and, as the children become competent and confident readers, push them to discover the best that literature and nonfiction have to offer while doggedly building up their comprehension through weekly word study, spelling tests, and story analysis.
