Nature Photographer of the Year

The Wildlife Photographer of the Year annual competition provides a showcase for the world's very best nature photography. The competition is owned and operated by the world-renowned Natural History Museum. A panel of international experts selected the awarded images from almost 50,000 entries by the world's best photographers.

For more than 50 years, the Wildlife Photographer of the Year competition has championed honest and ethical wildlife photography, while pushing the boundaries of artistic freedom, technical skill, and narrative excellence. This powerful collection of pictures features all the winning photographs from the 2015 competition. The collection represents the work of many international photographers, both professionals and amateurs. The photographs are chosen by an international jury for their artistic merit and originality, from categories that together represent a diversity of natural subjects. The range of styles is also diverse, as is the genre of photography, including action, macro, underwater, landscape, or environmental reportage. Together this outstanding collection is a reminder of the splendor, drama, and variety of life on Earth. Each stunning photograph is accompanied by an extended caption and there is an introduction by one of the world's most respected nature photographers.

Displaying different styles, techniques, and ways of seeing, the collection is both a showcase for photographers who specialize in documenting the natural world and a celebration of nature.

A powerful collection of nature photography features all the winning pictures from the prestigious 50th competition For 50 years, the Wildlife Photographer of the Year competition has championed honest and ethical wildlife photography, while pushing the boundaries of artistic freedom, technical skill, and narrative excellence. The collection represents the work of many international photographers, both professionals and amateurs. The photographs are chosen by an international jury for their artistic merit and originality, from categories that together represent a diversity of natural subjects. The range of styles is also diverse, as is the genre of photography, whether action, macro, underwater, landscape, or environmental reportage. Together this outstanding collection is a reminder of the splendor, drama, and variety of life on Earth. Each stunning photograph is accompanied by an extended caption and there is an introduction by one of the world's most respected nature photographers.

The Wildlife Photographer of the Year competition is the international showcase for the very best photography featuring natural subjects. The Museum's 2022 week-to-view diaries feature stunning photographs of the natural world from past years of the competition. The perfect gifts for wildlife enthusiasts, they offer a specially selected photograph each week, accompanied by a caption explaining where and how it was taken. There is a ribbon marker for easy reference, and there are details of national and religious holidays.

"This is a collection of unforgettable pictures by some of the world's top wildlife photographers, comprising all the winning and commended images in the Veolia Environnement Wildlife Photographer of the Year 2011 competition. Together they celebrate the beauty, wonder, and importance of the natural world"--P.[4] of cover.

Each year the Wildlife Photographer of the Year exhibition is seen by millions through a global tour and international media coverage. Portfolio 29 displays the full collection of 100 images awarded in the 2019 competition. Selected by an international jury for their artistic merit and originality from over 45,000 entries, they represent the work of over 100 nationalities. Displaying different styles, techniques and ways of seeing, the collection is both a showcase for photographers who specialise in documenting the natural world and a celebration of nature. Each picture is accompanied by the story of how it was taken and what it reveals. The divisions are by subject - whether plants or animals, environment or landscape - and photographic genre, including portraiture, black and white and underwater. There are also special awards for young and up-and-coming photographers and, most important, for environmental and conservation stories, reminding us of our dependence on and conflicting attitudes towards nature.

When the Comedy Wildlife Photography Awards announced a contest for the funniest animal photo, they received entries from all over the world. Now authors and original award founders Paul Joynson-Hicks and Tom Sullam showcase the best of the best as well as some never before seen to present the most joyful photographs of wildlife ever printed.

This collection presents the most memorable and beautiful pictures from 50 years of Wildlife Photographer of the Year, the world's most prestigious wildlife photography competition. It is a landmark collection that captures the diversity of the natural world and presents the many different ways of seeing and interpreting life on earth.
